# SauceDemo Playwright Test Cases (50 TCs)

| TOTAL TEST CASES | FEATURE CATEGORIES | AUTOMATION ENGINE |
|---|---|---|
| 50 | 6 | Playwright / Chromium (50 Scenarios) |

| Category | TC ID | Title | Description / Verification |
|---|---|---|---|
| 1. Authentication & Session Managem | TC-001 | Valid User Login | Log in with standard_user / secret_sauce. Verify redirection to /inventory.html and header visible. |
| 1. Authentication & Session Managem | TC-002 | Invalid Password | Enter valid username with wrong password. Verify error message "Username and password do not match...". |
| 1. Authentication & Session Managem | TC-003 | Locked Out User | Log in with locked_out_user. Verify error message "Epic sadface: Sorry, this user has been locked out.". |
| 1. Authentication & Session Managem | TC-004 | Empty Username Field | Leave username blank, enter password. Verify error message "Username is required". |
| 1. Authentication & Session Managem | TC-005 | Empty Password Field | Enter username, leave password blank. Verify error message "Password is required". |
| 1. Authentication & Session Managem | TC-006 | Clear Error Message | Click the X button on any login error popup. Verify the error box closes. |
| 1. Authentication & Session Managem | TC-007 | Successful Logout | Log in, open the side menu, click "Logout". Verify redirection back to the login page (/). |
| 1. Authentication & Session Managem | TC-008 | Unauthenticated Direct Access | Open /inventory.html directly without logging in. Verify user is redirected to login page with error. |
| 1. Authentication & Session Managem | TC-009 | Session State Retention | Log in, refresh the page (page.reload()). Verify the user remains on /inventory.html and logged in. |
| 1. Authentication & Session Managem | TC-010 | Problem User Image Glitch | Log in with problem_user. Verify product images load incorrectly (same broken image for all items). |
| 2. Product Catalog & Sorting | TC-011 | Verify Product Count | Log in and count items on /inventory.html. Verify exactly 6 products are displayed. |
| 2. Product Catalog & Sorting | TC-012 | Sort Name (A to Z) | Select "Name (A to Z)" from sort dropdown. Verify item titles are in alphabetical ascending order. |
| 2. Product Catalog & Sorting | TC-013 | Sort Name (Z to A) | Select "Name (Z to A)" from sort dropdown. Verify item titles are in alphabetical descending order. |
| 2. Product Catalog & Sorting | TC-014 | Sort Price (Low to High) | Select "Price (low to high)". Verify item prices are sorted in ascending numerical order. |
| 2. Product Catalog & Sorting | TC-015 | Sort Price (High to Low) | Select "Price (high to low)". Verify item prices are sorted in descending numerical order. |
| 2. Product Catalog & Sorting | TC-016 | View Product Detail Page | Click on "Sauce Labs Backpack" title. Verify URL contains inventory-item.html?id=4 and details render. |
| 2. Product Catalog & Sorting | TC-017 | Back to Products Button | On product detail page, click "Back to products". Verify navigation back to /inventory.html. |
| 2. Product Catalog & Sorting | TC-018 | Visual Layout Consistency | Verify each inventory item has an image, title, description, price, and "Add to cart" button. |
| 3. Shopping Cart Interactions | TC-019 | Add Single Item from Catalog | Click "Add to cart" on Backpack. Verify cart badge displays 1 and button changes to "Remove". |
| 3. Shopping Cart Interactions | TC-020 | Add Multiple Items | Click "Add to cart" on Backpack and Bike Light. Verify cart badge displays 2. |
| 3. Shopping Cart Interactions | TC-021 | Remove Item from Catalog | Click "Remove" on Backpack from inventory page. Verify cart badge disappears/decrements to 0. |
| 3. Shopping Cart Interactions | TC-022 | Add Item from Detail Page | Open Backpack detail page, click "Add to cart". Verify cart badge shows 1. |
| 3. Shopping Cart Interactions | TC-023 | Remove Item from Detail Page | On detail page of added item, click "Remove". Verify cart badge updates to 0. |
| 3. Shopping Cart Interactions | TC-024 | Verify Cart Page Items | Add 2 items, navigate to /cart.html. Verify both items appear with correct titles, quantities, and prices. |
| 3. Shopping Cart Interactions | TC-025 | Remove Item from Cart Page | On /cart.html, click "Remove" next to 1 item. Verify item is removed and cart badge decreases. |
| 3. Shopping Cart Interactions | TC-026 | Continue Shopping Navigation | On /cart.html, click "Continue Shopping". Verify navigation back to /inventory.html. |

# SauceDemo Playwright Test Cases (50 TCs)

| TOTAL TEST CASES | FEATURE CATEGORIES | AUTOMATION ENGINE |
|---|---|---|
| 50 | 6 | Playwright / Chromium (50 Scenarios) |

| Category | TC ID | Title | Description / Verification |
|---|---|---|---|
| 3. Shopping Cart Interactions | **TC-027** | Cart Badge Persistence | Add item, navigate to cart, go back to inventory. Verify cart badge still reflects the item count (1). |
| 4. Checkout Process & Calculations | **TC-028** | Navigate to Checkout Step 1 | Click "Checkout" on /cart.html. Verify redirection to /checkout-step-one.html. |
| 4. Checkout Process & Calculations | **TC-029** | Complete Valid Checkout Info | Fill First Name, Last Name, Zip/Postal Code, click "Continue". Verify navigation to /checkout-step-two.html. |
| 4. Checkout Process & Calculations | **TC-030** | Checkout Step 1 Validation | Leave First Name empty, click "Continue". Verify error message "Error: First Name is required". |
| 4. Checkout Process & Calculations | **TC-031** | Cancel Checkout Step 1 | Click "Cancel" on /checkout-step-one.html. Verify redirection back to /cart.html. |
| 4. Checkout Process & Calculations | **TC-032** | Verify Item Total | On Checkout Step 2, sum individual item prices. Verify sum matches the displayed "Item total". |
| 4. Checkout Process & Calculations | **TC-033** | Verify Tax Calculation | Multiply Item Total by Tax Rate (~8%). Verify calculated tax matches the displayed "Tax". |
| 4. Checkout Process & Calculations | **TC-034** | Verify Total Price | Sum "Item total" + "Tax". Verify calculation matches the displayed "Total: $XX.XX". |
| 4. Checkout Process & Calculations | **TC-035** | Complete Order (Finish) | On Checkout Step 2, click "Finish". Verify redirection to /checkout-complete.html with header "Thank you for your order!" |
| 4. Checkout Process & Calculations | **TC-036** | Cancel Checkout Step 2 | Click "Cancel" on /checkout-step-two.html. Verify redirection back to /inventory.html. |
| 5. Navigation Sidebar & App State | **TC-037** | Open Side Menu | Click hamburger menu button. Verify sidebar opens with 4 menu links visible. |
| 5. Navigation Sidebar & App State | **TC-038** | Close Side Menu | Click X cross button inside sidebar. Verify sidebar slides closed. |
| 5. Navigation Sidebar & App State | **TC-039** | Menu Link: All Items | Navigate to cart, open sidebar, click "All Items". Verify redirection to /inventory.html. |
| 5. Navigation Sidebar & App State | **TC-040** | Menu Link: About | Open sidebar, click "About". Verify external navigation to saucelabs.com. |
| 5. Navigation Sidebar & App State | **TC-041** | Menu Link: Reset App State | Add items to cart, open sidebar, click "Reset App State". Verify cart badge clears to 0. |
| 5. Navigation Sidebar & App State | **TC-042** | Performance Glitch User | Log in with performance_glitch_user. Verify page loads successfully despite delayed network responses. |
| 5. Navigation Sidebar & App State | **TC-043** | Error User Actions | Log in with error_user. Attempt to add items/sort and verify specific UI errors/exceptions. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-044** | Checkout Empty Cart | Navigate directly to /checkout-step-one.html with empty cart. Test app handling/boundary behavior. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-045** | LocalStorage Check | Log in and inspect window.localStorage in Playwright. Verify session tokens/user keys exist. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-046** | Responsive Mobile Viewport | Run test with playwright.devices['iPhone 13']. Verify layout adjusts and hamburger menu functions. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-047** | Network Offline Behavior | Add item to cart, set context.setOffline(true), attempt checkout. Verify graceful failure handling. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-048** | Page Load Performance | Measure performance.mark() / navigationTiming on login to inventory page. Assert load time < 3s. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-049** | Accessibility (a11y) Checks | Run @axe-core/playwright on /inventory.html. Verify no critical accessibility violations exist. |
| 6. Edge Cases, Cross-Browser & Techn | **TC-050** | Multi-Tab Isolated Contexts | Open 2 incognito browser contexts in Playwright. Log in as different users. Verify state isolation. |
